

PMM

Brush and grass mulcher for tractors between 40 and 110 HP.

Standard equipment: gearbox with freewheel, reversible and side shifting attachment (except PMM 150 and 175), adjustable and self cleaning rear roller, adjustable rear hood, possibility to have the rotor equipped with heavy duty hammers or with “Y” flails
Options: PTO shaft, oversized roller supports for heavy duty application.

PMM

Model	Tractor HP Min	Tractor HP Max	PTO rpm	Working width mm	Overall width mm	Weight Kg	Grinding diameter mm (max)	Q.ty hammers PMM	Q.ty flails “Y”
PMM 150	40	90	540	1480	1740	640	80	18	18
PMM 175	50	90	540	1720	1980	690	80	21	21
PMM 200	60	110	540	1960	2220	910	80	24	24
PMM 225	70	110	540 o 1000	2200	2460	960	80	27	27
PMM 250	80	110	540 o 1000	2440	2700	1040	80	30	30
