

STCL

Stone crushers for tractors between 80 and 180 HP with a max working depth of 15 cm.

Standard equipment: single or double driven transmission (depending from the model), PTO drive shaft with cam clutch, gearbox with free wheel, adjustable skids, hydraulic rear hood, adjustable counter knives. adjustable 3 point hitch, penetration ploughshare.

Options: dosing blade, road kit, hydraulic top link, 540 rpm gearbox (only for models with single driven transmission).

Notes: For their correct usage, a creeper gear transmission is recommended.

STCL

Modello	Tractor HP Min - Max	Overall Width mm	Working Width mm	Weight Kg	Grinding diameter mm(max)	Working Depth mm (max)	Teeth q.ty type D
